MEMORANDUM FOR: Executive Director
Deputy Director for Administration
Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Science and Technology

FROM:

[Redacted]

STAT

Director of Training and Education

SUBJECT: 1987 Guest Speaker Program

1. This memorandum solicits your suggestions for guest speakers in 1987.

2. Based on your suggestions last year, three speakers have made presentations in the Auditorium this year, General Paul Gorman, Mark Russell, and Roger B. Smith. Two more, whose dates are being negotiated, George Will and Sally Ride, will appear before the end of the year.

3. In planning a slate of speakers for 1987, we would like to ensure that the interests of all Agency employees and components are surfaced. To that end I invite each of you to submit names of prospective speakers. The criteria used for selection are:

a. Subject matter should have a significant bearing on the intelligence profession or on international affairs.

b. It should affect, or be of concern to, a broad cross section of Agency personnel--or at least several Agency components--in order to warrant inviting a large audience.

c. The person making the presentation should be well known and genuinely knowledgeable about the subject matter. In general, we seek the kind of speaker who is at the forefront of his/her field.

d. The speaker should be effective in communicating with a large audience representing different backgrounds.

SUBJECT: 1987 Guest Speaker Program

e. The speaker(s) will be drawn from the academic world, foundations, the business community, the media, Congress and the executive departments of government.

4. Please forward a list of suggested speakers, with field of expertise and any other available background, to CSI/OTE, Room 1036, Chamber of Commerce Building. We will submit a list of recommendations to the Executive Director for approval and advise you of the final selections.
